

**CITY OF DAPHNE**  
**BID: 2022-X-LOTT PARK PICKLEBALL EXPANSION**  
**ADDENDUM NO. 3**

This addendum contains modifications and/or clarifications to the bidding and construction documents. These items shall be included in all proposals for the above referenced project and will become part of the contract for construction of the project. All bidding contractors must acknowledge receipt of this addendum by signature. This signed Addendum must be attached to the inside front cover of the bid submittal documents. All bidding contractors shall be responsible for communicating and dispersing this addendum and the information contained herein to their respective subcontractors and material suppliers. The bid documents for this Bid shall be amended, revised, and changed in the following particulars:

**The Addendum is as follows:**

- 1. Correction from Addendum #2: RFI: Are there any other plans, or specifications for the lighting on this project? There is a lump sum pay item for lighting however, in the plans it states the lighting is not part of the GCs proposal. The specifications mention installation of owner provided lighting but no other information. We need more information to be able to bid on this item.**

**Response: The installation of the lights will be a separate project. The lights will be purchased from Musco Sports Lighting and the City will be obtaining quotes as part of a separate project to install the court lighting. Once lighting plans are available they will be shared with the project Contractor for coordination. The lump sum pay item is removed from the proposal document.**

- 2. The prime contractor is not required to be a Certified Tennis Court Building but there MUST be a Certified Tennis Court Builder on the project team.**
- 3. The Proposal Sheet has been updated to include Alternate No. 1 and is included in Addendum #3**
