No person shall service or inspect an automatic fire sprinkler system without first obtaining a permit from the Bureau of Fire Prevention.

Any person who services or maintains fire sprinkler systems must hold a sprinkler permit issued by the Alabama State Fire Marshal's Office and have a Certificate of Insurance.

All systems shall be tagged upon completion of the service or inspection.

Any system taken out of service or tagged non-compliant shall require that the City of Daphne Fire Marshal's office be notified immediately.

General Requirements:

- Installer must possess a current City of Daphne Business License
- General Liability Insurance for \$1,000,000 with the City of Daphne listed as a certificate holder
- Check made payable to the *City of Daphne*. (Credit cards are NOT accepted at this time.) The current permit fee to install a fire pump is \$75.00 per year.
