TRACT CONTAINS 361.55 ACRES, MORE OR LESS, AND LIES IN SECTIONS 25, 26 AND 36, TOWNSHIP 5 SOUTH, RANGE 2 EAST, BALDWIN COUNTY, ALABAMA.

WHEREAS, at the regular Planning Commission meeting on March 23, 2017, the Commission considered said request and set forth a unanimous favorable recommendation; and,

WHEREAS, due notice of said proposed pre-zoning has been provided to the public as required by law through publication and open display at the Daphne Public Library and City Hall, a public hearing was held before the City Council on May 15, 2017; and,

WHEREAS, the City Council of the City of Daphne after due consideration and upon consideration of the notes of the Planning Commission, deemed that said application for pre-zoning of the above described real property is proper and in the best interest of the health, safety and welfare of the citizens of the City of Daphne, Alabama; and

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF DAPHNE, ALABAMA, as follows:

SECTION I: ZONING

That above described real property is hereby pre-zoned to Planned Unit Development (PUD) District, City of Daphne. Upon annexation of the property prior to the expiration of the pre-zoning as set forth in Section IV, the property shall be assigned the zoning district in accordance with the pre-zoning and the zoning ordinance and zoning map be amended to reflect the said zoning. Should annexation not occur prior to the expiration of this pre-zoning as set forth in Section IV, this pre-zoning shall have no effect and the designation of a zoning district for the property shall be set forth in the annexation ordinance.

Until such time as the property is annexed to the City of Daphne, the property shall remain in the unincorporated area of Baldwin County and zoned in accordance with the Baldwin County Commission's zoning plan. The County's zoning for the property at the time the request for pre-zoning was submitted was RSF-2, Single Family District, and RA, Rural Agricultural District, Baldwin County extraterritorial planning jurisdiction.

JUBILEE FARMS PUD STANDARDS

Jubilee Farms, a Planned Unit Development (PUD), is a 361.55 acre site located southeast of the intersection of Alabama Highway 181 and Austin Road. The property is presently in the extraterritorial jurisdiction of the City of Daphne and is located in Baldwin County Planning District 15 and is zoned RA – Rural Agriculture (approximately 21 acres) and RSF-2 – Residential Single Family. Application has been made to the City of Daphne to Pre-zone this property as a PUD.

The proposed development consists of 914 single family lots, with 367 lots at 52' wide and a minimum of 6,500 sq. ft., and 414 lots at 70' wide and a minimum of 9,800 sq. ft., and 133 lots at 80' wide and a minimum of 12,000 sq. ft. The proposed density of the development is 2.53 units per acre. There are 88.17 acres, or 24.4% of the total site, proposed as common area. These common areas consist of 25.95 acres of formal open space, 53.24 acres of passive open space, and 8.98 acres of jurisdictional wetlands.

The residential lots shall have the following standards:

The 52' wide lots are to have building setbacks of 25' on the front and rear, 6' on the sides, and 15' on the street sides. The 70' wide lots are 30' on the front and rear, 6' on the sides, and 20' on the street sides. The 80' wide lots are 30' on the front and rear, 10' on the sides, and 20' on the street sides. The maximum building heights for all residential lots are to be as per the City's R-3 zoning district. The maximum building coverage of each residential lot is 45%.

All utilities will be constructed underground and water, sewer, electric, and telephone are all available to the site. All roadways within the development will be public and sidewalks will be located on both sides of the proposed roadways. Sidewalks will be installed by the home builder at the time of house construction and will be required to be ADA compliant. All construction will be in accordance to the standards of the City of Daphne.

The stormwater management system will be designed in accordance with the standards of the City of Daphne. All stormwater facilities and structures outside of public right-of-ways will be maintained by the P.O.A. and not the City of Daphne.

A landscape plan will be provided as part of the subdivision process. The required landscaping will be provided in the common areas and installed during construction of the infrastructure adjacent to those common areas. Any additional landscaping will be provided by the home builders and/or the lot owners.

As per the City of Daphne Land Use and Development Ordinance, this development is considered a Large-Scale PUD, due to being over 300 acres in size. Developments of this size do require consideration of public facilities and services. The property owner has donated land to the City that is in the general area of this site, to provide for a Fire Station that can better serve

this proposed development and other existing developments within the area. Multiple access points to this development will provide for alternate emergency access locations. A private school has recently been constructed in the near vicinity of this site and the developer will coordinate with the public school system on the proposed development plans and growth rate to assist them in their planning. Traffic studies will be conducted prior to subdivision application of

the first phase. Coordinated efforts are already underway between the City, ALDOT, and the County to realign area roadways and ALDOT has begun the process of surveying and designing the additional lanes for Highway 181 from Milton Jones Road to Alabama Highway 104. These improvements could begin sometime in 2018 and will be instrumental in providing for the additional traffic generated by this and other developments in the area. This development will be constructed in phases with a 15 to 20 year proposed build-out.

Jubilee Farms is to be a unique neighborhood offering varying lot types and amenities. The larger lots are located along the main road that basically runs through the center of the overall development. The other two lot types are divided into multiple separate neighborhoods throughout the development. These lot sizes and the associated building types will provide entry level options for prospective homeowners. Parks are located throughout the development with an approximately 6 acre site provided for multiple type amenities. Also the development provides 24.4% open space, which is almost 2.5 times more than is required in a PUD. Multi-use trails are also located along the common areas around the lakes, through the Parks, and along the rear of lots providing for additional pedestrian activities. As a public benefit the developer proposes a sidewalk along Austin Road adjacent to the development. The amenities, parks, multi-use trails, and sidewalks provide more opportunities for residents to enjoy on-site rather than having to use City parks. Finally the developer has elected to bring this development within the corporate limits of Daphne as opposed to staying in the County.

Covenants and Restrictions will provide for the formation of a Property Owner's Association for the Jubilee Farms development whereby maintenance responsibilities of the common areas and drainage infrastructure outside of public roadways will be established.

SECTION II: REPEALER.

All other City Ordinances or parts thereof in conflict with the provisions of this Ordinance, in so far as they conflict, are hereby repealed.

SECTION III: SEVERABILITY.

The provisions of this Ordinance are severable. If any provision, section, paragraph, sentence, or part thereof shall be held unconstitutional or invalid, such decision shall not affect or impair the remainder of said Ordinance, it being the legislative intent to ordain and enact each provision, section, paragraph, sentence, and part thereof separately and independently of each other.

SECTION IV: EFFECTIVE AND EXPIRATION DATE.

This Ordinance, and in particular the pre-zoning shall take effect after the date of its approval by the City Council of the City of Daphne and publication as required by law. Pursuant to Code of Alabama (1975) Section 11-52-85, the zoning of the property, shall become effective upon the date the territory is annexed into the corporate limits. If any portion of the territory is not annexed into the corporate limits within 180 days of the initiation of annexation proceedings as provided by law then this pre-zoning shall

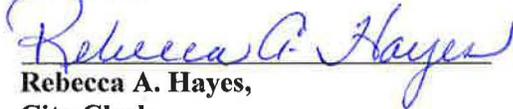

be null and void. Should the pre-zoning become null and void, the applicant may reapply for pre-zoning at any time as long as an annexation petition is pending.

ADOPTED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF DAPHNE, ALABAMA, THIS 5th day of June, 2017.
