Events held:
Daphne Civic Center**

The Deconstruction of American Society

In an attempt to explain the widespread feeling in American society that the nation has lost its sense of direction morally, politically, economically, and socially, that it is adrift regarding its basic values and principles, this four-lecture series will examine historically the ideas and movements that have resulted in the sense of malaise and confusion now present in early 21st-century America.

January 13, 2015 @ 10:00 am

Philosophy: From Truth to Opinions: From the Ancients to the Enlightenment

January 20, 2015 @ 10:00 am
